- The SST Group Representative will have contacted you the week of the party. At that time, you need to confirm the number of people in your group attending and the name of the person coming at 5 PM to set things up.
- We will send you an EARLY INNER PASS to the contact person setting up the party. No more than 2 cars may enter the theatre area at 5 PM. An SST Board Member will meet and greet the contact person and show you where to park after you unload your car.
- You will have one hour to set up your party (tables can be moved around). Then at 6 when the meadow opens, your party will enter, find their spot in the meadow and then come back to the Ramada to eat.
- **SST does not want the Early Inner to come into the meadow to set up a seating area or to buy chars. The Early Inner must stay in the Ramada until 6.** If you want chairs set aside for your group, you can set that up with the SST Group Representative when they call you to confirm the date.
