**LAS VEGAS (September 28, 2020)** – Super Summer Theatre (SST) will mark its 45<sup>th</sup> Anniversary Season with SST LIVE!, a one-hour livestream special on Sunday, October 18 from 5 to 6 p.m. PST. This one-night-only livestream is one of many events planned in celebration of SST's commitment to presenting affordable, family-friendly entertainment under the stars.

The virtual benefit will feature songs and memories from SST's first 45 years and songs from the 2021 45<sup>th</sup> anniversary season. The show will be emceed by singer, songwriter and actress Maxine Jones, best known as a founding member of the R&B/Pop vocal group En Vogue, one of the world's best-selling girl groups of all time. Highlights will include a special performance by Broadway, TV, and film actress and SST alumna Satomi Hofmann.

Tickets to SST LIVE! are \$45 per household and all proceeds will benefit the artistic and educational programs of SST.

With the current season postponed to 2021, this is an unprecedented opportunity to continue to fund the resources of Super Summer Theatre to provide a valuable service to the Las Vegas community. Whether in season or waiting for the opportunity for the curtain to rise again, SST is committed to keeping costs down and ticket and educational class prices affordable. Over the last 44 years, over 200,000 youth have been introduced to the magic of the performing arts only because of SST. Their families could not afford the cost of commercial productions.
