LAS VEGAS (June 1, 2021) – For everyone who has been missing performances under the stars against the beautiful backdrop of the Spring Mountains, Super Summer Theatre is back with a fantastic SUPER SUMMER 2021 Season.

Super Summer Theatre celebrates 46 years of affordable, high-quality theatre in Southern Nevada with a stellar lineup for the SUPER SUMMER 2021 Season at the Boman Outdoor Pavilion, which will kick off on July 15th with *You're a Good Man, Charlie Brown*.

"We are excited to welcome everyone back to the Meadow this summer while staying safe and healthy," says Christy Miller, Super Summer Theatre Board Chair. "I cannot think of a better way to return than to watch *Charlie Brown* and the entire Peanuts gang remind us of life's joys and challenges through songs and laughter as only friends can do."

Super Summer Theatre's enhanced health and safety protocols include enhanced cleaning and sanitizing procedures and enforced social distancing and mask mandates in place at the time of the performances.

Super Summer Theatre has come a long way since the curtain first went up in 1976 with a run of Shakespeare plays performed by actors who doubled as ticket agents and passed the microphone to one another. Since then, more than 1.2 Million patrons have thrown down a blanket, shared a picnic dinner with friends, and enjoyed great theatre under the stars.

Following *You're a Good Man, Charlie Brown*, which will be presented with Hynes-Sight Entertainment, the SUPER SUMMER 2021 Season continues in August with *VIVA Las POPera*. Presented with Vegas City Opera, this concert features hits from Elvis, Frank Sinatra, Queen, Michael Bublé, Andre Bocelli, Sara Brightman, *Phantom of the Opera* and more. The SUPER SUMMER 2021 Season concludes in September with *Smokey Joe's Café*. Presented with PS Productions and featuring nearly 40 of the greatest songs ever recorded, *Smokey Joe's Café* isn't just great pop music – it's compelling musical theatre.

Patrons returning to the Meadow this summer will get an extra special treat as the Concession Stand is getting a facelift before the SUPER SUMMER 2021 Season opens. Due to the generosity of Geopolymer International, the Concession Stand will have new, custom-made countertops for the convenience, comfort, and safety of attendees and volunteers.

“We are grateful for this wonderful donation of custom countertops by Geopolymer International,” says Bob Long, Super Summer Theater Fundraising and Publicity Chair. “Since our inception, Super Summer has relied on the generosity of the community to help not only with capital needs like these countertops but also with operational ones too, because ticket and concession sales account for only 70% of our annual budget.”

Tickets for are \$15 for general admission for cash transactions and \$17.50 for credit card transactions. Parking opens at 5 pm and the Meadow opens for seating at 6 pm.

Super Summer Theatre’s outdoor venue is located at Spring Mountain Ranch State Park, just 10 miles west of the 215/West Charleston intersection or 5 miles east of the intersection of Hwy 159 and Hwy 160, just past Blue Diamond.
